

Sl. No.	Members	Department	Expertise
1	Dr. K.S. Geetha	Electronics & Communication Engineering	Image Processing, Signal Processing, SystemVerilog for Design and Verification, Thin Film Sensors, Flexible Electronics
2	Dr. Shylashree N	Electronics & Communication Engineering	VLSI, Cryptography, Computer Networks, Image Processing.
3	Dr. Shilpa D R	Electronics & Communication Engineering	VLSI Design, ASIC Design
4	Dr. Srividya P	Electronics & Communication Engineering	VLSI Design, Communication Systems
5	Dr. Sujatha Hiremath	Electronics & Communication Engineering	VLSI Design, Testing and Verification
6	Dr. Sowmya K B	Electronics & Communication Engineering	VLSI Design & Signal Processing
7	Dr. Eleena Mohapatra	Electronics & Communication Engineering	Nanoscale Semiconductor Devices, VLSI Circuits and Devices
8	Dr. Shanthi P	Electronics and Telecommunication Engineering	RF Circuit Design, Antenna, MMIC Design, RF CMOS VLSI, Machine learning Algorithms for RF Circuits
9	Dr. Premananda B S	Electronics and Telecommunication Engineering	Speech enhancement, VLSI Designs in ASIC/FPGA, Low power and compact VLSI circuits, QCA, Signal processing, Energy harvesting and Communication
10	Dr. K.M. Ajay	Electrical and Electronics Engineering	Energy Storage Devices, Nanomaterials Synthesis and Characterisations
11	Dr. Raja Vidya	Electrical and Electronics Engineering	Wireless Power Transfer, High Voltage Engineering, VLSI and Embedded Systems
12	Dr. Kendaganna Swamy S	Electronics and Instrumentation Engineering	VLSI Design, Sensors, IoT, Embedded Systems and NoC
13	Dr. Veena Divya	Electronics and Instrumentation Engineering	Biomedical Image Processing, Digital Image Processing, ARM Processors, Embedded Systems, Biomedical Instrumentation.
