

Events - 2021

5th IEEE International Conference on **Computational Systems and Information Technology, for Sustainable Solutions (CSITSS-2021)** during 16/12/2021 to 18/12/2021.

Skill Development Programme on **CCTV Installation and Maintenance.**

During 08/11/2021 to 12/11/2021

Resource person:

1. Mr. T Shankar, Head-Projects CCTV

2. Mr. Anil Kumar,

Krsna sounds & secure

5 Days Online Hands- on Workshop on “5G Wireless Communication systems”

During 25/10/2021 to 29/10/2021

Speaker Names:

1. Sandeep Joshi, Asst. Prof, Dept. of Electrical science, Bits Pilani

2. Dr. Deepthi P P, HoD, ECE, NIT, Calicut

3. Mr. Shivaraj, Sr. RF & Microwave Application Engineer,

ICON Design Automation

Five Days workshop on Software Defined Networks and its applications

During 27/09/2021 to 01/10/2021

Workshop on An Overview of Video surveillance system during 30th Aug-3rd sep, 2021

Online workshop on “**Modern antennas for Wireless communication systems**” during 05/07/2021 to 10/07/2021

Speakers:

1. Dr. Beenamole, Scientist, LRDE, Bengaluru

2. Mrs. Manjushree T, Scientist-E, LRDE, Bengaluru

3. Dr. Ashutosh Kedar, Scientist-F, LRDE, Bengaluru

4. Mr. Veersingh Gangwar, Scientist-E, LRDE, Bengaluru

5. Dr. Nasimuddin, Scientist-III, A*STAR Institute for Infocomm Research, Bengaluru

“**One Week Online Workshop on Signal Processing and Applications**” Under IEEE-RVCE SPS Student Chapter during 01/02/2021 to 06/02/2021

Speakers

1. Dr. Sandeep Prabhakar chepuri, IISC, Bengaluru

2. Manu Ramesh, Purdue university USA

3. Krishna Chaitanya vastare, starkey hearing technologies, USA

4. Arjun P Athreya, USA

Five days' workshop on **Basics of MATLAB and LABVIEW for Engineering Applications-Phase-1** from 1-5 Feb 2021

Speakers

1. Manjunath Reddy, Principal application manager, Cadence design systems

2. Manimaran. A. Assistant manager, VI solutions, Bengaluru
