

Seminars

2025

- TCS Career Orientation by Mr. Praveen Chandran was conducted on 27th May 2025, Dept of MCA, RVCE
- Orientation session on “GenAI Software from AWS” by Mr.Siddharath B Vadakkedathu was held on 7th May 2025, Dept of MCA, RVCE
- A Talk on “Professional Skills Required for Corporate World” by Mr. Sreenivasa Ramanujam and Mr. Surjit Mohapatra was held on 17th March 2025, Dept of MCA, RVCE
- A session on “Institution IT Infrastructure and Management” by Mr. Ravi Kumar Koppal was held on 10th March 2025, Dept of MCA, RVCE
- A Technical talk on “Ask me anything Navigating the Future –Market Insights, Career Strategies and Hands on Projects” by was held on 29th January 2025, Dept of MCA, RVCE
- A Technical Talk on “Scrum – An Industry Perspective” by Shreya Shakshi was held on 25th January 2025, Dept of MCA, RVCE
- Hands on session on “Cyber security” by Abhishek Venkatesh was held on 23rd January 2025, Dept of MCA, RVCE
- A Technical talk on “Exploration of Hadoop Environment” by Bharat GM was held on 6th January 2025, Dept of MCA, RVCE
- 2 Day Hands-on session on “IOT, CISCO-RVCE” by Dr. Renuka Prasad B, Dr. Chandrashekar B H, Dr. Deepika K was conducted in Dept of MCA on 9th and 10th Jan 2025
- A Talk on “Placement and Career Opportunities” by Samarsingh Patil was held on 28th Jan 2025, Dept of MCA, RVCE

2024

- A Talk on “RestFull API and Micro services” by Akshay L Marathe was held on 13th September 2024
- Prof. Savita Sheelavan attended seminar on “The Future of Operations Management”, Organized by Department of Industrial Engineering and

Management, RV College of Engineering in association with Goldratt School of India held on 26th June 2024

2023

- Dr. Jasmine K S attended “Conference Organizers Education Workshop COEW-2023” organized by IEEE Bangalore Section, in collaboration with IEEE Mangalore Subsection, IEEE Mysore Subsection and IEEE North Karnataka Subsection on 18th November 2023.
- Dr. Jayasimha S R, Dr. Andhe Dharani, Dr. Usha J, Dr. Jasmine K S and Dr. Divya T L attended “Sustainability Driven Innovation Growth: Shaping a World Possibilities”, RVCE on 13th September 2023.
- Dr. Jasmine K S attended “EndNote Certification Series 2023”, on “Accelerate your research with EndNote™ 21” organized by Clarivate Analytics held on 15th August 2023.
- Dr. Jasmine K S, Dr. S Anupama Kumar, Dr. Divya T L, Prof. Chandrani C, Dr. Preethi N Patil attended “Leveraging Generative AI for Teaching Programming Courses” conducted by IIT Madras as a part of NPTEL on 10th to 11th & 17th to 18th July 2023.
- Dr. Jasmine K S participated in the Webinar on “Scientific Social Responsibility for Women” organized by Department of Computer Technology MIT Campus, Anna University on 31st March 2023.
- Dr. Preethi N Patil & Dr. S Anupama Kumar attended “Fundamentals of Deep Learning models with Accelerated Computing” conducted by Dept of AIML in conjunction with Boston and Intel, held on 9th & 10th March 2023.

2022

- Dr. Usha J Attended Five-day Lecture Series on “Applications of Transforms in Engineering”, organized by Centre for Computational Mathematics, Department of Mathematics, RVCE 10th to 14th October 2022
- Dr. Jasmine K S Attended IEEE Authorship and Open Access Symposium: “Tips and Best Practices to Get Published from IEEE Editors” on 30th August 2022.
- Talk on “Introduction to web Application Security” by Mr. Varun Bhat, organized by Dr. Usha J. held on 12th July 2022.

- A “Pre-Placement Orientation” talk by Mr. Abhishek SN was held on 26th April 2022
- Dr. Jasmine K S attended “Panel discussion on Stepping towards Sustainability: FMGG Sector helded at Ramaiah Institute of Management Bengaluru on 22nd April 2022
- Technical Session on “Mobile, Cyber security, through AWS cloud” by Mr. ABHISHEK BV on 7th April 2022.
- A Talk on “Real Time Medical Image Analysis using Deep Learning Techniques” by Mr. Dhanush was held on 27th Jan 2022, Dept of MCA, RVCE
- A Technical Talk on “Technical Session on Dockers and Containers” by Mr. Nandan on 29th April 2022, Dept of MCA, RVCE.

2020

- Webinar on “Design thinking for better User Experience” held on 11th December 2020 by Keerthi Santosh Varier, Design Thinking Coach and Senior Product Manager, EY, Washington D.C.,USA at Dept.of MCA,RVCE
- Dr. Jasmine K S Participated in the Webinar Series on the Topic: “Planning and Implementation of NEP in Technical institutions” organized by Swadeshi Vijnana Andolana, Karnataka on 28th November 2020.
- A Technical Talk on Introduction to “AP and its applications” (Online) organized by National College Jaynagar on 20th October 2020 by Dr.Ashwini K.B and Dr. Preethi N Patil.
- A Technical Talk on Big data and its Emerging Trends sponsored by TEQIP-III Webinar Series (3 days)- by Department of Computer Science and Engineering,JSS Science andTechnology University,SJCE,Mysuru (Online) on 15th to 17th October 2020 by Dr.Vijayalakshmi.M.N and Shaila.H.Koppad
- A Seminar on “Interfacing Sensors and Actuators with Arduino & Raspberry Pi” using Google Meet for BEL Employees on 8th July 2020
- A Seminar on “Data to Bigdata & Decision making using ML” using Google Meet for students on 10th July 2020
- A Seminar on “Preparedness and Outcomes - 5Ts to crack PGCET on 1st July

- A Webinar on “Insight of AR/VR” was held on 10th July 2020
- Dr.B.H.Chandrashekar Attended a webinar on “Connected devices using PI and Cloud” held on 18th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Python Programming and its Applications” held on 17th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “IOT Systems” held on 17th July 2020
- Prof. ChandraniChakravorty Attended webinar “Women in Engineering (WIE) Industry Webinar Series” held on 13th -17th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Build your own Machine Learning Model” held on 16th July 2020
- Dr.B.H.Chandrashekar Attended a webinar on “Person Identifier using Python and Open CV” on 14th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Mathlab Interfacing with AI” held on 13th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Big Data Analytics” held on 13th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Brain Computer Interface Robot” held on 12th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Explore what next in Deep Learning” held on 11th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Python Programming” held on 11th July 2020
- Prof. Shaila H Koppad Attended a webinar on “Deep Learning and its Applications” held on 2nd July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Python Programming and its Applications” held on 10th July 2020
- Dr.Jasmine K S Attended International webinar on ‘Assistive Technology Engineering’ held on 10th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on “Machine Learning Approaches” held on 9th July 2020

- Dr.Jasmine K S Attended 'IEEE-ABET webinar on Accreditation and Quality of Engineering Education in South Asia' held on 8th July 2020
- Dr. B.H.Chandrashekar Attended National Webinar on "Fitness to Statistics" held on 7th July 2020
- Dr.Jasmine K S Attended the national webinar on ' Fitness to Statistics' held on 7th July 2020
- Dr.Divya TL Attended online webinar on "software testing tools and its methodologies" held on 3rd to 5th July 2020
- Dr. B.H.Chandrashekar Attended a webinar on "Robotics" held on 4th July 2020
- Prof. Savita Sheelavant attended Webinar on "Image processing Applications held on 3rd July 2020
- Prof.Saravanan C Attended Webinar on "Challenges in image quality assessment techniques" held on 2nd July 2020
- Dr. S Anupama Kumar Attended a webinar on "Deep Learning and its Applications" held on 2nd July 2020
- Mr. Kumaraswamy K S attended a webinar on "Computer Vision Application Design" held on 14th July 2020
- Dr. B.H.Chandrashekar Participated in a Webinar on "Design of Brain Control Applications" hosted by Dr. B.R.Ambedkar National Institute of Technology, Jalandar in association with Pantech Solutions Online held on 26th June 2020
- Dr. B.H.Chandrashekar Prof. Deepika K Participated in a Webinar on "Internet Of Things Using Nodemcu" held on 23rd June 2020
- Dr. B.H.Chandrashekar Attended webinar on "Yoga for Well Being" held on 20th and 21st June 2020
- Prof. Savita Sheelavant Webinar on "Machine Learning - An Industry Practitioner Perspective" held on 2 nd June 2020
- Dr. B.H.Chandrashekar, Prof. Deepika K Participated in a Webinar on "Internet Of Things Using Raspberry Pi" held on 19 th June 2020
- Dr. B.H.Chandrashekar, Prof. Deepika K Participated in a Webinar on "Internet Of Things Using Arduino" held on 16th June 2020

- Prof. Savita Sheelavant attended Webinar on “Future of Education Post COVID'” held on 18th June 2020
- Prof. Narasimha Swamy S Participated in Webinar on “Security at the Hardware Level” held on 17th June 2020
- Dr.Vijayalakshmi.M.N Participate in Webinar on “Data Exploration and Visualization using Python” held on 11 th June 2020
- Prof. Savita Sheelavant Webinar on “How 5G will Reshape Business and Open Up New Opportunities” held on 10th June 2020
- Prof. Jayasimha S R Participated in webinar on “ Machine Learning Model Development using Flask and other Techniques” held on 4th June 2020
- Prof. Jayasimha S R Participated in webinar on “Agile Teaching Learning Methods Mapping the Changing the Scenarios” held on 6th June 2020
- Dr. Preethi N Pati Participated in International Sage Talk on “Recent Advances in Cloud Edge Computing and the Aneka 5G Cloud Platform” held on 6th June 2020
- Prof. Savita Sheelavant attended Webinar on “Impact of AI during Pandemic Times” held on 4th June 2020
- Prof. Saravanan C Attended Webinar on “Impact of AI during Pandemic Times” held on 4th June 2020
- Prof. K Prashanth participated in the webinar entitled “Digital Marketing - An overview and its Effectiveness for Educational Institutions” held on 4th June 2020
- Dr.Vijayalakshmi.M.N attended Webinar on “Applications of Internet of Things” held on 3rd June 2020
- Dr.Vijayalakshmi.M.N, Dr. S Anupama Kumar attended Webinar on “Data Science Simplified” held on 2nd June 2020
- Dr. Preethi N Patil Participated in Webinar on “Next Generation Innovation in Augmented and Virtual Reality” held on 2nd June 2020
- Prof. Savita Sheelavant, Prof. Saravanan C attended webinar on Natural Language Processing using Python” held on 1st & 2nd June 2020

- Prof. Prashanth K attended Webinar on “Machine Learning, Digital twins and Self Organised Methods” Aegis of IQAC, organized by the Department of ISE, Cambridge Institute of Technology on 29th May 2020
- Prof. Savita Sheelavant and Prof. Saravanan C attended Webinar on "Economics of the Pandemic", Mr. Sean Flynn, Behavioural Economist and Author of International Best Sellers on organized by McGraw Hill on 28th May 2020
- Prof. Prashanth K attended Webinar on “Machine Learning, Digital twins and Self Organized Methods” organized by the Department of ISE, Cambridge Institute of Technology on 29th May 2020
- A seminar on “Introduction to Content Management System using Wordpress” using Google Meet for students and staff of National College of Engineering, Bengaluru on 26th May 2020 by Dr. BH Chandrashekar and Prof. Vishal C
- Two Day online sessions on using “Raspberry Pi for Building IoT Applications” on 23rd and 24th May 2020 for students of SJR College of Arts & Science by Dr Renuka Prasad B organized by SJR College of Arts & Science, Bengaluru
- Prof. Chandrani C attended Webinar on “5G NR Dynamic Spectrum Sharing (DSS): Overview and Test Challenges” held on 28th May 2020
- Prof. Chandrani C attended Webinar on “Making an Effective Research Proposal - The Winning Way held on 28th May 2020
- Prof. Prashanth K attended Webinar and Assessment on “Blockchain and The Vedas Connection” held on 27th May 2020;
- Prof. Savita Sheelavant attended Webinar on IoT Stack - End to End Security Consideration held on 26th May 2020
- Prof. Saravanan C, Prof. Chandrani C attended Webinar on Iot Stack - End to End Security Consideration held on 26th May 2020
- Dr. Ashwini K.B attended Webinar on “Mobile Device Security” held on 23rd May 2020
- Mr. Prashanth K attended webinar on “Strategic Planning and Best Practices” held on 22nd and 23rd May 2020

- Prof. Prashanth K attended Webinar on “OOPS in PHP” held on 22nd May 2020
- Prof. Jayasimha S R attended Webinar on “Design The Thinking” Eshwar College of Engineering, Coimbatore held on 22nd May 2020
- Prof. Jayasimha S R attended Webinar on “Chip Design: An Overview of Physical Design activities for advanced technology” held on 22nd May 2020
- Dr Usha J attended webinar on “DS4Covid-19: What problems to solve with Data Science amid Covid-19?” held on 22nd May 2020
- Dr. Vijayalakshmi.M.N,Dr. S Anupama Kumar,Dr. Divya TL,Prof. Saravanan C,Prof. Chandrani C,Prof. Savita Sheelavant attended webinar on “Accelerate Machine Learning Algorithms with INTEL Daal4py” held on 22nd May 2020
- Dr. Usha J, Dr. Vijayalakshmi.M.N, Dr. Divya T L,Prof. Saravanan C, Prof. Chandrani C, Prof. Savita Sheelavant attended webinar on “RHEL8-Driving Force of DevOps” held on 21st May 2020
- Prof.Saravanan C, Prof. Savita Sheelavant attended Webinar on “Getting Job Ready for Post Covid Era” held on 21st May 2020
- Prof. Chandrani C,, Prof. Shaila H Koppad attended seminar on “Overview of Edge Computing” held on 21st May 2020
- Dr Usha J attended seminar on “How to look at data as a Product Manager” held on 21st May 2020
- Dr Usha J attended seminar on “Future Transportation by Drone” held on 20th May 2020
- Dr. R Savitha attended Webinar on “Enterprise Blockchain for the Internet of Things” held on 20th May 2020
- Dr. Vijayalakshmi.M.N, Dr. S Anupama Kumar,Prof. Shaila H Koppad attended Webinar on “Decoding Data Science For Decision Makers” held on 19th May 2020
- Dr Usha J attended seminar on “Technology Driven Logistics and Supply Chain” during COVID-19 held on 19 th May 2020
- Dr. Ashwini K.B, Dr. R Savitha attended Webinar on “Enterprise Blockchain Overview” held on 18 th May 2020

- Dr Usha J attended seminar on Is the Pandemic (COVID-19) crisis pushing adoption of Blockchain in supply chain evolution held on 18th May 2020
- Dr. Usha J attended seminar on “Free Space and Underwater Visible Light Communications: An Emerging Technology for Industry 4.0” held on 15th May 2020
- Dr. Usha J attended seminar on Precision agriculture Robotics, Technologies, and Challenge held on 13th May 2020
- Dr. Mohanaradhya,,Prof Narasimha Swamy S attended Webinar on “Network Security and Application Security” held on 13 th May 2020
- Dr. Usha J attended webinar on “Satellite Navigation: Indian Paradigm” held on 12th May 2020
- Dr. Usha J attended webinar on “Signal Processing with surface acoustics-wave (SAW) devices” held on 12th May 2020
- Prof. Saravanan C, Prof. Savita Sheelavant attended webinar on “Principal Component Analysis” held on 11th May 2020
- Dr.Vijayalakshmi.M.N., Dr. S Anupama Kumar attended webinar on “Human Emotions in Devices and Technology held on 11th May 2020
- Expert lecturer on “Software Defined Networks/Network Function Virtualization” by Dr. Rajesh Challa held on 9th May2020
- “Pre-placement talk on Placement Preparation” by Abhishek Kota held on 9th May2020
- Prof. Shaila H Koppad attended webinar on “Data Driven Decision Making Using AI” held on 6th May 2020
- Dr. S Anupama Kumar,Prof. Shaila H Koppad attended Webinar on “AI in Healthcare” held on 5 th May 2020
- Prof. Deepika K attended webinar on “Virtual Yoga, Building Resilience in Body & Mind” held on 28 th April 2020
- Online Expert Talk on “Future of Progressive Web Application” for 4th Semester MCA as a part of "Modern Application Development (18MCA42)" on 25th April 2020 was conducted by Dr. Renuka Prasad B & Prof. Deepika K
- A Talk on 4th Semester MCA students on "Entrepreneurship as a hobby for Students". The talk was coordinated by Dr. Chandrashekar B.H. and Prof.

Deepika K was conducted on 12th Feb 2020 by Mr. Rohit. K.N. Founder, [Peer-Mentor.com](https://www.peermentor.com)

- A Technical Talk on "How to write a Research Paper" for 4th Semester A & B Students. The talk was coordinated by Prof. Jayasimha SR was conducted on 4th February 2020 by Dr. Jasmine K S, Associate Professor, Dept of MCA, RVCE
- An Expert Lecture on "Web Programming - Industry Perspectives Seminar" was conducted for 1st semester by Mr. Vijayakumar S Technology Specialist, Cognizant Technology Solutions, Bengaluru on 2nd January 2020

2019

- An invited talk on 'Application of Python Programming language in Industry' under CSI Chapter for I semester 'A' & 'B' Section students by Mr. Chetan Deshpande, Senior QA Engineer & Mr. Aniket Prabhu, QA Engineer at Commvalult, Bengaluru on 14th December 2019
- Expert Lecturer on "User Interface design and User experience" - by Vinay Narasimhamurthy, An industrial perspective for Vth Semester Elective Students of Principles of User Interface Design was organized on 20th September 2019
- Expert Lecture on "AWS Expert Talk" by Mr. Shashi Kiran, Director- Sales and Customer Success, Nuvepro was Organized on 2nd July 2019
- Expert Lectures on "A Motivational talk" was conducted by Mr Rohith Saraswathi, Pursuing Master in Engineering Management in RVCE, Bengaluru was organized on 26th April 2019.
- Expert Lectures on "Interview" by Mr Sudesh, Alumni Department of MCA was organized on 23rd April 2019.
- A Technical Session on "Industry Perspectives – Core Java Practices and Projects" by Mr. Suhas, Software Developer, i-Exceed Solutions, Bangalore and Alumni of MCA Department was organized on 13th April 2019
- Expert Lectures on "Introduction to on Progressive Web Apps (PWA) Technology" by Mr. Hemanth HM, SSE at PayPal & Google Developer Expert for Web Technologies was organized on 8th march 2019.

- Expert Lectures on "Career opportunities in information and communication technology for MTech, MCA Students" by Mr. Vaitheeswaran, Consortium for Technical Education, Chennai was conducted on 6th march 2019.
- Public Talk by Richard M Stallman was organized by R V College of Engineering in association with Free Software Foundation of India and support of RVCE-IQAC and CODING CLUB of RVCE on 19th January 2019.

2018

- A technical talk on "Research Methodology (Phase I)" has been conducted by Dr M Krishna, Head of Department, Department of Mechanical Engineering
- A technical talk on "Text Processing and Analytics using R" was conducted by Mr. Ankit Velani, Data Scientist, Trendwise Analytics, Bengaluru for 4th semester Information Retrieval Elective students on 17th February 2018 under Computer Society of India, RVCE Chapter.
- A technical talk on "Text Processing and Analytics using R" was conducted by Mr. Ankit Velani Data Scientist, Trendwise Analytics, Bengaluru for 4th semester Information Retrieval Elective students on 17th February 2018 under Computer Society of India, RVCE Chapter.
