CENTRE OF EXCELLENCE WOMEN IN CLOUD COE IN INDIA (WiC)

Established and funded by:
Rashtreeya Sikshana Samithi Trust (RSST) & WiC, USA

Women in Cloud is a community-led economic development organization taking action to generate \$1B in net new global economic access for women entrepreneurs by 2030 through partnerships with corporations, community leaders, and policymakers. RVCE in collaboration with the Women in Cloud network has established a Center of Excellence in the year March 2022, with the main objective of empowering women on cloud technological skills and accelerating employability options.

Focus Areas

The WiC CoE in India work towards majorly in the following aspects:

1. **Digital Skilling:** which encompasses skilling of underprivileged and economical background students for the computer fundamentals knowledge.
2. **Technical Internship & Training:** which spans for either 1 or 2 month period based on the requirements for both Undergraduate and Postgraduate engineering students for enriching their technical skills for industry readiness. The training will be imparted by trained faculty and experts from industry on cloud native development.
3. Facilitates hands on sessions using the maximum of open source tools like Docker, Kubernetes, Github and IBM cloud.
4. Societal Vertical: Initiated the free digital skill training for under privileged and needy aspirants to sustain and career opportunities.

Achievements

CSR Amount
from WiC , USA
5.66 lakhs

Amount generated by
through consultancy &
training
4.00 lakhs

Students
trained for
Internship
200+

Papers Published
10+

Technical Talks
40+

Awards Received
2

RV College of Engineering®

WIC - ADD ONS

1. Microsoft Devsecops Course Worth Rs. 46k Free Of Cost
2. Ibm Devops 2 Certification Courses Free Of Cost With Earned Badges
3. Global Community Joining
4. Focus And Attendance To Lot Of Technical Events Across The Globe
5. Visit To Industry
6. Competitions
7. Associations With Industry

Current Activities

To enhance and enrich the CoE activities , a student centric team called "RVCE WiC INSIDER CIRCLE" is formed and launching its inaugural event shortly.

First of its kind socio-technical team at RVCE which emerged as a student team of Women in Cloud Centre of Excellence in India. The mission of the Women in Cloud Insider Circle is to create a vibrant community that empowers women in cloud computing and technology through mentorship, education, and networking opportunities. By fostering inclusivity, collaboration, and professional growth, the aim is to shape a future where women are integral to the evolution of the tech industry and society in overall. To mention few activities considered are: Mentorship. Skill building, team collaborations, cloudathons, ideations, networking etc;
