Sl. No.	Details of workshop / seminar / conference / events/ webinar	Date of the Event	Organized by
	2020-21		
1	Webinar on “Sensing and Signal Processing for Autonomous Navigation” IEEE RVCE –SPS Student Chapter	8/08/2020 9.30 am - 11.00 am.	Department of ET, RVCE Coordinator: Dr. K Nagamani
2	Webinar- How 5G will reshape Buisness and open up New oppurtunities	10.June 2020	Department of ET, RVCE Coordinator: Dr.Saraswathi and R.Bhagya
3	Webinar -5G technology and its applications	8 th June 2020	Department of ETE RVCE Coordinator: Dr.Nagamani K and R.Bhagya
4	Webinar on “5G New Radio” Under IEEE-RVCE SPS Student Chapter in association with Cadence Design Systems, Mathworks and Keysight Technologies Speakers : 1.Uvaraj Natarajan, Mathworks 2. Niranjan Dhanakoti, Nokia Networks 3.Manjunath Reddy, Cadence Design syatems 4.Subhas Mondal, wipro 5. Mr. Atanu Guchhait, Mavenir systems 6.Dr. Debarati sen, IIT, Kharagpur	14/09/2020 to 19/09/2020	Department of ET, RVCE Coordinator: Dr. K Nagamani Dr. K Saraswathi Dr.Bhagya R
	2021-22		
5	Webinar on “Private 5G Networks” Speaker:	24/08/2021	Department of ETE in association with IEEE SPS

	Mr.Abhijith Chaudhary Founder & CEO of Niral Networks		
6	Webinar on “Technology Trends for 5G and IoT based Use cases” Speaker: Mr.Vishweshwar Hegde Telstra India Development centre	12/08/2021	Department of ETE in association with IEEE SPS
7	Webinar on” Road Map To Career In Machine Learning” Speaker: Mr.Kumar Kaushik AI Engineer Eureka Inc, Japan	10/07/2021	IEEE RVCE SPS chapter Faculty Advisor , Dr Nagamani K
8	Webinar on ASIC in today’s World	12.6.2021	Dept of Electronics and Telecommunication Engineering Dr.Premananda
	2022-23		
1	Webinar on Signal Processing in Wearable Devices by Ramesh P E, Principal Engineer, Advanced Development team, Tektronix & Mr. Madhu, Principal Engineer,	02/09/2022 6.30 to 8pm	IEEE Signal Processing Society Bengaluru chapter jointly with IEEE Sensor council Bengaluru chapter Dr. K Saraswathi, Dr. Bhagya R, Dr. Nagamani K, Mr. Avaneeth Anil, Ms. Ananya D
	2023-24		
1	Webinar on 5G NR PHY Layer and Challenges	28.12.2023	Dept of ETE Dr.Nagamani K
2	Webinar on” RTL Design Demystified: An Engineer & perspective” By Mr. Adarsh Kumar Sr. RTL Design Engineer, AMD, Orlando, Florida, USA	11/7/2023 Timings 7 to 8 PM	Dept. of Electronics & Communication Engg. In association with Dept. of Electronics & Telecommunication Engg., RVCE Faculty Coordinator Dr Bhagya Dr. Veenadevi Dr. Sujatha Hiremath
3	Webinar on From Insights to Impact: “Recent Trends in Data Science and their Real-World Applications”	29/07/2023	Department of ETE in association with IETE Student Forum and IQAC

	by Mr. Hemanth Kumar, Lead for Graph Machine Learning vertical at Brillio.		Faculty Coordinator Dr K.Saraswathi, Dr R Bhagya
4	Organized Webinar on “STA and Optimization Techniques” By Mr. Alok Kumar Senior Engineer Media Tek, Bengaluru	14/7/2023 Timings 7 to 8 PM	Dept. of Electronics & Communication Engg. In association with Dept. of Electronics & Telecommunication Engg., RVCE Faculty Coordinator Dr Bhagya R, Dr. Veenadevi Dr. Sujatha Hiremath
5	Organized Webinar on “Multimodal MEM Classification” by Mr. Abhinav Kumar Thakur Seismic Imaging Analyst	15/7/2023 Timings 10 AM to 11 AM,	Dept. of Electronics & Communication Engg. In association with Dept. of Electronics & Telecommunication Engg., RVCE Faculty Coordinator Dr Bhagya, Dr. Veenadevi Dr. Sujatha Hiremath
6	Technical talk on “Automotive wireless communications- BLE,Wi-Fi,LTE “ by Mr.Arun Dannana, Architect, Vitesco Technologies India Pvt. Ltd	26.6.24 2.30-4 PM	Organized by Dept. of ETE &MG- RVCE CoC Coordinator: Dr.Shanthi P
7	Technical talk on “Automotive Embedded system Microcontroller features and Design Considerations “Mr.Venkatesh Bhat, Architect, Vitesco Technologies India Pvt. Ltd	27.6.24 2.30-4 PM	Organized by Dept of ETE &MG- RVCE CoC Coordinator: Dr. Shanthi P
